In order to accomplish our mission we need to employ individuals who understand or can learn what professionalism, performance and integrity mean as an individual and as a team member. We provide a stable and personal growth oriented work place for our employees. We provide ongoing education for our employees. Our employment statement is simple: If you are going to work here, you will be a part of continuing education and you will continue to learn. We are always working to have the very best employees.

Full time employees at KMS Painting, Inc.. Enjoy great wages and benefits that include medical insurance, company work clothing and paid holidays We provide a safe workplace and utilize safe and up to date equipment. Walls Painting, Inc. is a fun place to work and a place where your ideas and hard work are warmly received.
